---

---

---

---

---

To help you determine the cost of your project an itemization with individual costs is necessary.

**Example:**

Lumber.... \$100.00 each    Hardware.... \$25.00 each    Printing.... \$10.00 each  
Posterboard.... \$5.00 each

Please enter itemization of materials and individual costs for your project

---

---

---

---

**To determine the total cost of your project** (note: there is a Project Expense Worksheet available on the KCFF website at Grants & Youth►YIP Application)

1. Determine the materials and quantity needed
2. Determine the individual cost of each material item
3. Add the cost(s) of all materials to determine your total cost

**In our example above:**

- Lumber \$100 (x 8) = \$800
- Hardware \$25 (x 2) = \$50
- Printing \$10 (X1) = \$10
- Posterboard \$5 (X1) = \$5

Add all costs \$800 + \$50 + \$10 + \$5 = Total Cost \$865

Total cost to complete project \_\_\_\_\_

If your project exceeds \$1,000, how will you cover the costs not funded by the contest? \_\_\_\_\_
